

Children

We would like to wish all our children who are leaving the nursery the very best of luck in their new school adventures. We have thoroughly enjoyed teaching and nurturing your children over the last few years and hope they have fond memories of their time here

Sessions

If you would like to change your child's sessions for the next school year please let Janet know

Snack time – rolling snack bar

We have introduced a new snack system at the nursery and the children are really enjoying it. Children are now able to attend snack time at their choosing over a 30 minute period, this means that they aren't interrupted in their playing and can attend at their leisure. We do make sure that all children have their snack with the emphasis now on a selection of fresh fruit, which the children really enjoy preparing.

Vegetable garden

Both staff and children are thoroughly enjoying growing vegetables, the children are very attentive and the beans and tomatoes in particular are really taking off !

We hope all our children and parents enjoy their holidays over the next few months and look forward to hearing all about them and seeing their holiday pictures

Holiday club

We will be holiday extra activities for older siblings during the summer holidays, if you would like your child to attend the holiday club please Janet or Rachel know.

Sun cream and sunhats

Please remember to apply sun cream to your child whilst we enjoy this hot weather. Children should wear hats in this hot weather so please remember to send them in.

Sports coaching

Our sports coach at Sporting Stars will be teaching cricket to the children this term. All the children have enjoyed the variety of the different sports offered

Absent from nursery

Please remember to let the nursery know if your child is going to be absent from the nursery. If your child has been absent for more than 3 days, we will contact you.

Pick up arrangements

Due to safeguarding, we will ask for passwords if an unknown or unarranged adult is picking up a child. We regard the children's safety and wellbeing as one of the highest priorities, so please do not be offended if we do not allow children to go with an unfamiliar or unarranged adult. If there is a particular adult that does not have permission to pick up your child, please tell Jan or Rachel

Festivals

We really enjoy celebrating all the festivals from all the different nationalities and religions, and we include them in our topic for the term. If you celebrate other festivals and would like us to include them at the nursery please speak to Chrissie, our Equality Coordinator

Parking permits

Please do remember to ask for a **parking permit** for all cars that are picking up children. We recently introduced a new system whereby all cars have a permanent 'short stay' permit displayed on the windscreen. Recently we have noticed that some cars do not have these and the wardens do visit regularly. Please ask Janet for a 'short stay' parking permit if you have a relative or friend who is picking up your child on a regular basis. Also if you are leaving the nursery, please remember to hand your parking permit back in and sign the disclaimer. Thank you.
